

Content for Senator Brown Now Available on Pathfire

The US Senate is now delivering content via Pathfire Digital Media Gateway (“DMG”). Locating and viewing this content on Pathfire DMG can be done by following the directions below.

1. Log in to DMG using your assigned username and password.
If you do not have a username/password, contact your DMG system administrator.
2. When the main DMG screen displays, move to the navigation bar located on the left side of the screen.
If you cannot see the navigation bar, move to the toolbar, and click the **Toggle Tree** button.
*If you still don't see the navigation pane, please contact Pathfire via email at support@pathfire.com.
In your email message, include your name and phone number.*
3. In the Content Provider navigation pane shown at the left, click the arrow for **News**.
4. From the list of subcategories, click the arrow for **Video News Feeds (Master VNF Locator)**.
5. From the expanded list, double-click on **VNF Provider B**.
6. In the right pane, click the **U.S. Senate – Democrats** tab. All available packages are displayed.
7. To select content for a specific senator, click the drop-down list and select the senator's name.

8. To preview a package, double-click on the **Story Number**. The associated video and package information displays in a preview window (similar to that shown at the right).
