

PROJECT 2025

EXPOSED

How Project 2025 will harm small businesses:

The extreme Republican plan would undermine small business growth by cutting critical capital and support programs for small businesses while raising costs for entrepreneurs.

- Eliminates federal economic development funding critical to rebuilding Main Streets in struggling regions of the country. (p. 683)
- Eliminates Small Business Administration (SBA) direct lending, including aid to disaster-impacted small businesses and homeowners. (p. 750)
- Attacks the Minority Business Development Agency, weakening the vital services they provide to small and medium minority-owned small businesses. (p. 684)
- Jettisons a national network of centers that assist small manufacturers in increasing sales and creating jobs. (p.686)
- Abolishes key support for small businesses looking to grow international markets for their goods and services. (p. 710)
- Removes support for historically disadvantaged small businesses. (p. 750)
- Eliminates core SBA entrepreneurial development and innovation programs. (p. 750)
- Undermines state and local workforce training by eliminating federal investments in the skilled workforce small businesses need. (p. 597)
- Eliminates critical student debt relief that will raise costs and financial burdens that prevent entrepreneurs from starting new businesses. (p. 340)
