WASHINGTON, DC 20510

February 4, 2018

President Donald Trump  
The White House  
1600 Pennsylvania Avenue NW  
Washington D.C. 20500

Dear Mr. President:

I strongly urge you to sanction the public release of Ranking Member Adam Schiff's memorandum that was recently made available to all members of the House of Representatives as soon as possible. I believe it is a matter of fundamental fairness that the American people be allowed to see both sides of the argument and make their own judgements.

A refusal to release the Schiff memo in light of the fact that Chairman Devin Nunes' memo was released and is based on the same underlying documents will confirm the American people's worst fears that the release of Chairman Nunes' memo was only intended to undermine Special Counsel Bob Mueller's investigation.

I again urge you to support the release of Ranking Member Schiff's memo so that the American people can make their own judgement on the facts of the case.

Sincerely,
